Mention to your server if you have gluten-sensitivities. Cross contamination is possible because Sammy's is not a gluten-free kitchen.

As part of Sammy's commitment to environmental stewardship, this menu contains locally sourced, organic or sustainable items wherever possible. All cuisine is created using fresh and nutritionally balanced ingredients.

We serve local, organic and sustainable items wherever possible. Our chicken is fresh and natural with no preservatives or hormones.

*Eating undercooked meat/seafood may increase risk of food borne illness, especially if you have certain medical conditions.

Warning: Certain foods and beverages sold or served here can expose you to chemicals including acrylamide in many fried or baked foods, and mercury in fish, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to
